

NOTICE 31/20

18 June 2020

COVID-19 SPECIAL NOTICE (21)

Dear Homeowners,

COVID-19 CASE

We refer to the newsletter of yesterday, which advised that the golf pro had tested positive for Covid-19.

We advise that all of those known parties who had contact with him have so far as possible have been advised, and have been asked to take the relevant measure in terms of the established protocols.

If for any reason it is necessary for you to leave the Estate we ask that you take all the precautions to safeguard yourself and those closest yourself and your family.

Please note that it is especially important during this period that we need to continue to take all precautions necessary in order to keep everyone safe and also be reminded that the virus does not travel.....people travel.

Stay safe!

Geoff Anderson and Dirk Uys
