New measures to reduce infections:

- Wearing masks in public places is mandatory**
Employers, business owners and managers are legally obliged to ensure compliance
- Taxis must have some windows open during all journeys**
Taxis may have 100% occupancy on local trips and no more than 70% on long distance trips
- Sale of alcohol is suspended**
This is to prevent hospital capacity being overwhelmed during the peak of infections
- Curfew in place between 9pm and 4am**
This excludes permitted workers or for urgent medical assistance
