

NOTICE 14/20

3 April 2020

COVID-19 SPECIAL NOTICE (8)

Dear Homeowners,

A number of Homeowners have approached the HOA regarding assisting those working on the Estate and also those in need of assistance in the surrounding areas.

A Homeowner now back overseas has offered to donate a very substantial amount to the HOA. These funds are to be used to provide assistance to charities in the areas of Bot River, Kleinmond and Caledon who are providing food and medical assistance to those in need.

We are inviting all Homeowners to donate whatever amount they so wish, to be used for the same purposes. They can also donate food if they prefer, preferably of a dry or canned nature. If you so wish you can advise Lida by e-mail to debit your levy account with the amount you wish to donate or make a direct payment into our account FNB, branch code 200212, account 62045844041 using reference "Covid Fund". For audit purposes the funds donated through your levy account will not be utilised until paid. All donations will be treated strictly confidentially.

The funds will be administered by a subcommittee of the Audit and Risk Committee, comprising of Steve Argyle, Albert Lubbe, Anneli van Zyl and Ockert van Jaarsveld. They will be assisted by Michelle Wood and Lida Louw. This subcommittee will set up rules regarding donations and will also require regular feedback from the charities selected, which will be shared with Homeowners .

We will be identifying charities active in these areas. If you are aware of any, please advise Michelle of their contact details.

We feel it is an opportune time for us to play a positive role in the area where we reside, and we look forward to your support for this initiative.

Regards

Geoff Anderson
On behalf of the Board

"Together we will make a difference"
