

This is to certify that

Arabella Country Estate

R44, Kleinmond, 7195

Has completed the IACT-Africa

Protection of Personal Information (POPI) Act No.4 of 2013 Compliance Preparation Project and is now

POPI Act Compliant

This project has achieved the completion and implementation of the following appropriate and reasonable organisational and technical measures as required by the Act and in line with the Home Owners Association's business:

- Completion of internal and external assessments for POPI Act compliance
- Completion of stakeholder POPI Act compliance awareness training
- Completion of Arabella employee POPI Act compliance commitment
- Establishing a POPI Act compliance ongoing monitoring plan
- Establishing POPI Act compliance accountability structures
- Publication of a POPI Act compliance privacy notice and related policies
- Publication of a Promotion of Access to Information Act POPI-compliant manual
- Amendments to existing contracts and policies in line with POPI Act compliance requirements
- Identification and recording of areas in which personal information is stored and processed
